Dear Mr. Cummings:

As a follow up to my letter of October 4, 1983, please be advised that "The Phil Donahue Show" on Monday, November 14, 1983, between the hours of 9:00 - 10:00 a.m., on N.B.C. Television, is scheduled to televise some positive features of Newark, New Jersey.

We are most appreciative of his willingness to show another side of Newark that seldom warrants media attention. Of course, we likewise recognize the need to face the challenge of improving our physical, social and economic resources. The enclosed copy of a memorandum dated November 3, 1983, from Mr. Charles M. Zizza, Chief of Police, detailing increased police services in Military Park to thwart increasing drugs, loitering and criminal activities, is part of that municipal responsibility.

Again, I wish to personally thank Mr. Edward J. Lenihan, President, Renaissance Newark and Mr. Richard G. Schoon, President, Greater Newark Chamber of Commerce, for their invaluable assistance in the preparation of data forwarded to Mr. Phil Donahue for his possible use.

With best wishes, I remain

Sincerely yours,

  
Sharpe James

COUNCILMAN

FROM: CHARLES M. ZIZZA  
CHIEF OF POLICE

SUBJECT: CONDITIONS IN MILITARY PARK

During one of my recent visits with the Council, in the Chamber, you indicated special concern about conditions in Military Park. As a result of your concern, I have now ordered that at least one police officer be assigned to the park proper on a continuing basis rather than streets contiguous to the park. I am sure that this will improve matters considerably.

I have explained to you, and I reiterate, that we cannot make arrests simply for loitering because all of the loitering ordinances have been declared unconstitutional. We hope that some specific ordinances may be enacted in the near future which will not be considered "vague."

I am also attaching two reports, one submitted by Lt. James F. Post, who supervises the Downtown Squad and another report submitted by Acting Captain Gerard N. Inneo, who supervises the Tactical Force, which indicate their activity regarding the number of arrests made in the area that we are both so concerned about.

If I can be of further assistance, please do not fail to call upon me. With kind personal regards, I remain,

Very truly yours,

  
CHARLES M. ZIZZA  
CHIEF OF POLICE
